FRUIT MARKET PRINT KIT

Every card for the tabletop game in the owner's deck art: customers as Trading Cards, shopkeepers as Stall Signs and events as newspaper front pages. Names, numbers and prices come straight from the game data (rules version 11), so the cards always match the app.

PART	WHAT IT IS	PAGES
Player aid	A day in five beats and the crier's price rule (one A4 page per player)	p. 2
Character reference	The 8 shopkeepers, 5 special guests and 36 customers, for the rulebook	pp. 3–7
Customer cards	36 Trading Cards; each back shows that customer's fruit	pp. 8–15
Special guest cards	5 guests (pictures are interim) and their backs	pp. 16–17
Shopkeeper cards	8 Stall Signs and their backs	pp. 18–19
Event cards	20 newspaper front pages and their backs	pp. 20–25
Favour cards	18 cards (3 of each; use 2 of each at 2 to 4 stalls) and their backs	pp. 26–29
Delivery cards	20 lorry cards (all different) and their backs	pp. 30–35
Upgrade cards	4 stall upgrades and their backs	pp. 36–37
Factory: customers	One card per page, front then back, 3 mm bleed and crop marks	pp. 38–109
Factory: shopkeepers	Eight fronts, then the one shared back	pp. 110–118
Factory: events	Twenty fronts, then the one shared back	pp. 119–139

PRINTING AT HOME

- A4 card (250 to 300 gsm), 100% or "actual size", background graphics on.
- Double-sided, flip on the long edge: each fronts page is followed by its backs, mirrored to line up.
- Cut on the dashed lines. Cards are 63 × 88 mm (poker size).
- The circles on a customer card hold the fruit pieces sold to that customer.

STILL TO COME

- Guest portraits: the three guests borrow their event's scene for now.
- The customer card back is a new design in the deck-art style; the owner's PDFs have no back.
- Not restyled yet: the mat, stall sheet and screen, tokens and paper money from the earlier kit.
- Factory files are RGB; the printer converts to CMYK.

Fruit Market

PLAYER AID · MORNING EDITION — RULES VERSION 11

A DAY IN FIVE BEATS

Buy it, show it, price it, sell it, before it spoils.

1 MORNING

Apply today's **event**. The lorry unloads today's card at the freshest spot (green fruit at the unripe spot, the Seconds Lorry at Okay), every day. Draw tomorrow's card and event.

2 BUYING

The **poorest stall buys first, then the others go clockwise** (ties: first clockwise from the token; Day 1 starts at the token; Priority jumps the queue). Buy up to **4** pieces (5 with a Handcart), paying the cost for each fruit's freshness. Your shelf holds 6 (8 with a Handcart).

3 STOCKING

Today's customers arrive: waiting customers, the regular and the walk-ins, who turn face up now. Secretly set how many of each ripe fruit go in your **for-sale crate**, then show all crates at once.

4 THE BELL

Secretly set **one price per fruit** you put out, then everyone reveals together. No lower limit.

5 THE RUSH

Waiting customers first, then new ones. Each fruit goes to the **cheapest stall** with fruit fresh enough for its price; leftover demand spills to the next stall. Serve a customer's whole remaining order by yourself and **draw a favour card** (one a day at most).

+ EVENING & NIGHT

Play evening favours (Priority, Gossip). On the evening after each Market Day (days 3, 6, 9 and 12) build **one** stall upgrade. At night all fruit ages one step; spoiled fruit is thrown away.

THE CRIER'S PRICE RULE

READ EACH CUSTOMER LINE ALOUD

The crier (the player who bought last that morning) pays the stalls from the bank. For each customer line, say the real **top price** for the day: the card price plus any event, Closing Day or Fixed-prices change. Then which fruit qualifies at each price:

Above the top	NOTHING SELLS (a Premium Display may go $1 over for fresh fruit)	
The top	FRESH ONLY	🍎
Top – 1	FRESH OR OKAY	🍎 🍎
Top – 2 or less	ANY FRUIT (fresh, okay or tired)	🍎 🍎 🍎

The **cheapest** posted price sells first, and each stall hands over its **oldest piece that still qualifies**. On a tie, the stall whose freshest handed-over piece is younger sells first.

FRESHNESS TYPES

Premium: Fresh only. **Everyday:** Fresh or Okay. **Bargain:** Any freshness. A stall cannot sell fruit a customer will not take.

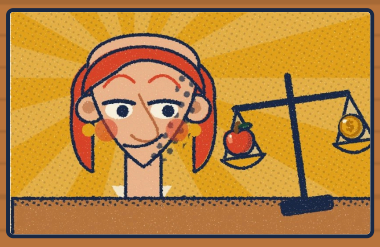

TIES AT THE BELL

Favoured Trade, then fresher fruit (the younger handed-over piece), then the Haggler, then whoever bought earlier today.

MARKET RHYTHM

Market Days (days 3, 6, 9 and 12, never the last): 1 more walk-in per 3 stalls. **Closing Day:** customers pay $1 more; then the jam maker buys leftover ripe fruit at $1 each. Guests' prices are fixed: only Closing Day adds to them.
