REP-069 · Approvals after the review list

Game	Fruit Market (no game change in this report)
Report date	2026-10-29 00:33 (Asia/Kuala_Lumpur)
Type	Decision. **No game change**
Request	"approve everything except plan 21, for the design related, require my approval on the design, else just run"
Decision	DEC-042 (approved)

WHAT WAS APPROVED

The order PLAN-031, PLAN-030, PLAN-033, PLAN-029; the lorry redrawn flat and smooth; no portrait frames; PLAN-032 and the PLAN-036 quirk check; and the rule that design work waits for the owner's approval of the design while everything else is just built.

NOT APPROVED

PLAN-021 (session length): the time target is still open. PLAN-003 (paid) and PLAN-018 (data counters) were not part of this approval.

WHAT RUNS NOW

The rename pass (words only), the PLAN-036 quirk check and the PLAN-032 drills. Design proposals for the board, the lorry, the restyle and the opening come to the owner as mock-ups first.
