## STATUS

All names in Naming_Audit are adopted, including the optional ones. Nothing is renamed yet: the rename is planned for after the board look is chosen.

## NOT READ AS APPROVAL OF

The board look (DEC-034), PLAN-027 (style guide), PLAN-029 (animated opening) and PLAN-030 (shared board). They stay proposed. If "everything" was meant to include them, say so and they will be recorded.
