THE GREAT FRUIT EXCHANGE

FRUIT MARKET PRINT KIT

Every card for the tabletop game in the owner's deck art: customers as Trading Cards, shopkeepers as Stall Signs and events as Gazette front pages. Names, numbers and prices come straight from the game data (rules version 9), so the cards always match the app.

PRINTING AT HOME

- A4 card (250 to 300 gsm), 100% or "actual size", background graphics on.
- Double-sided, flip on the long edge: each fronts page is followed by its backs, mirrored to line up.
- Cut on the dashed lines. Cards are 63 × 88 mm (poker size).
- The circles on a customer card hold the fruit pieces sold to that customer.

STILL TO COME

- Guest portraits: the three guests borrow their event's scene for now.
- The customer card back is a new design in the deck-art style; the owner's PDFs have no back.
- Not restyled yet: the mat, stall sheet and screen, tokens and paper money from the earlier kit.
- Factory files are RGB; the printer converts to CMYK.

PLAYER AID · FRUIT MARKET — RULES VERSION 9

A DAY IN FIVE BEATS

Buy it, show it, price it, sell it, before it spoils.

1 MORNING

Apply today's **event**. The farmer's lorry unloads today's delivery card at the freshest spot (green fruit at the unripe spot); it comes every day, Market Days too. Draw tomorrow's delivery card and event for the Tomorrow strip.

2 BUYING

The **poorest stall buys first** (ties go round the table; Day 1 is random; a Priority favour jumps the queue). Buy up to **6** pieces (8 with a Handcart), paying the cost for each fruit's freshness. Your shelf holds 8 (12 with a Handcart).

3 STOCKING

Today's customers arrive: waiting customers, the regular and the walk-ins, who turn face up now. Secretly set how many of each ripe fruit go in your **for-sale crate**, then show all crates at once.

4 THE BELL

Secretly set **one price per fruit** you put out, then everyone reveals together. There is no lower limit; on a Price Controls day there is an upper one.

5 THE RUSH

Customers buy in queue order: waiting first, then new ones. Each fruit goes to the **cheapest stall** with fruit fresh enough for its price; leftover demand spills to the next stall. You are paid at once. Serve a customer's whole remaining order by yourself and **draw a favour card** (one a day at most).

+ EVENING & NIGHT

Play evening favours (Priority, Gossip). On the evening after each Market Day (days 3, 6, 9 and 12) build **one** stall upgrade. At night all fruit ages one step; spoiled fruit is thrown away.

THE CRIER'S PRICE RULE

READ EACH CUSTOMER LINE ALOUD

The crier (the player who bought last that morning) pays the stalls from the bank. For each customer line, say the real **top price** for the day: the card price plus any event, Closing Day or Fixed-prices change. Then which fruit qualifies at each price:

Above the top	NOTHING SELLS (a Premium Display may go $1 over for fresh fruit)	
The top	FRESH ONLY	🍎
Top – 1	FRESH OR OKAY	🍎 🍎
Top – 2 or less	ANY FRUIT (fresh, okay or tired)	🍎 🍎 🍎

The **cheapest** posted price sells first, and each stall hands over its **oldest piece that still qualifies**. On a tie, the stall whose freshest handed-over piece is younger sells first.

FRESHNESS TYPES

Premium: Fresh only. **Everyday:** Fresh or Okay. **Bargain:** Any freshness. A stall cannot sell fruit a customer will not take.

TIES AT THE BELL

Favoured Trade, then the Haggler, then fresher fruit (the younger handed-over piece), then whoever bought earlier today.

MARKET RHYTHM

Market Days (days 3, 6, 9 and 12, never the last): one more walk-in. **Closing Day:** customers pay $1 more; then the jam maker buys leftover ripe fruit at $1 each. Guests' prices are fixed: only Closing Day adds to them.
